First and foremost she was a woman of deep faith and had a passionate love for our Heavenly Father. She was a selfless, loving, and kind-hearted woman who loved her family and friends with every ounce of her being. She always saw the good in others and never judged a soul. She was a great cook and was well known for her amazing brownies that were exceptionally tasty. She was a devoted Republican, huge fan of Fox News, and the Fighting Irish. The stories of her past and the love story of her and our grandfather was one of a kind. We are rejoicing that after 30 years she is now reunited with the love of her life. We will all miss our golden gram, graminator, grambo, grandma nay nay, merm, mom, and most of all our rock!
